

LEHIGH VALLEY
BUSINESS GROUP

What is BooFest?

BooFest was and still is today designed to offer a safe place and family friendly environment for families with special needs children and adults along with organizations who provide services to those special needs to go trick or treat (vendor's booth) along with the public. We believe children and adults with special needs are no different than anyone else, nor should they be treated as different. BooFest is one of its kind where those with special needs and the public can come together and enjoy a family fun, safe Halloween / Trick or Treat event which has been growing to new heights each year

BooFest has grown from its first year in having 40 vendors to over 125 vendors. Children and young adults can go trick or treating at the vendor alley along with being able to purchase items or learn of the many services in our community. BooFest attracts thousands of people every year. BooFest continues to grow every year and we enjoy partnering with other organizations, nonprofits, agencies and others who understand our mission and purpose of Lehigh Valley Business Group we hope to see more come out and enjoy the festivities of BooFest

This is the Lehigh Valley Business Groups annual fundraisers which help support the ongoing efforts of LVBG as a nonprofit. The funds raised help support the LVBG mission, LV H.O.P.E. room, Santa Secret Midnight Mission, Project Keep Warm, and other committees in helping those in our community. More information can be found on our website at www.lvbg.org.

There are various children's crafts & game section, vendor trick or treat vendor alley which is a major hit for everyone, local live entertainment, food & beverage, many various types of vendors, music, dancing, a pumpkin patch, touch a truck section, children's costume contest, pet / animal rescue groups, a raffle table, pony & carriage rides, health & wellness section, arts and crafts section, and more being planned this year for BooFest

We encourage each vendor to bring plenty of goodies, have or hold a fun contest or play a game at your station and ask them to don't forget to decorate your station.

Contact us at BooFest@lvbg.org or go to www.lvbg.org for more information

Lehigh Valley Business Group is an all-volunteer nonprofit and we believe in making a difference, helping others and giving back to individuals, businesses and our community
